To Whom It May Concern:

My family and I were fortunate to be introduced to Jacob Ansel and Mike Slotopolsky over 16 years ago when our grandfather (original owner) was retiring. Three generations later, they are still our accountants. I can not express enough how grateful we are to have Jacob, Mike and the whole Vision Financial Group work on all our financial needs. They go upon and beyond to make sure everything is done correctly and in a timely matter. We have referred Jacob and his company to many of our clients and vendors. That's to show how wonderful they are.

During the Covid lockdown, Jacob was very attentive to us. Jacob and his staff assisted us in obtaining two PPP loans and an SBA loan. This helped our business tremendously. More recently, Jacob worked hard for us to obtain a mortgage for a new building we are purchasing.

They are an awesome company and we hope to continue to work with them in the near future.

Sincerely

Marilyn Hernandez
Vice President
