Dear Jake:

You have been our CPA for our company for the past 5 years. I felt to write this letter to express our satisfaction with your Tax Services. You and your employees are so knowledgeable and responsible and very professional in helping customer accounts before the tax filing due dates.

You are giving careful attention to customer tax details and review thoroughly to give better tax solutions even in complex scenarios.

I have respect for your accounting company and will strongly recommend to all my friends and other companies.

Sincerely,

Divya Digital LLC
