To Whom It May Concern:

I have had the privilege of working with Jacob Ansel and his firm Vision Financial Group for the past fourteen years. We are a small business in comparison to the larger businesses you serve, but the service we receive is exceptional. Jacob and his staff go above and beyond to meet our specific business and personal financial needs.

We are very grateful for the excellent and professional service we receive, especially during tax season. We can't imagine not having you as our accountant. Thank you for your exceptional service!

Regards,
