**Re: Letter of Recommendation**

**Dear Jake,**

**This letter wouldn't be enough to describe all the wonderful things Jake, and his team have done for my family and our business. Personally, I have known Jake for over 20 years. In fact, to my family and I, he's family. Jake has worked hard in taking care of all our accounting needs, all personal, business tax filings, financial needs and more recently our very first NYS Sales Tax Audit.**

**Jake, your caring, dedication and hard work doesn't go unnoticed. My family and I are forever grateful. Your staff, alongside you, always provide us with first class service. You are always available to take my calls, answer my emails, and answer all my questions/concerns.**

**I highly recommend Jake Ansel and his team at Vision Financial for all your accounting and financial needs. Thank you for everything!**

**Regards,**

**Marilyn Hernandez-Diaz**
