Dear Jake:

I was so lucky 6 years ago when you became my personal CPA as I was purchasing a home and due to personal reasons, my prior personal CPA resigned. It was the beginning of a great relationship and when I opened my company in 2018, it made sense for you to handle this as well.

You have navigated us through PPP Loans, MCA Loans, sales tax, monthly reconciliation, 1099s for independent contractors and ERC documentation to name just a few. I am so thankful for everything you and your firm due for me and the company to ensure we are always buttoned up. I can turn around an investor update in days because our books are always up to date.

I am so thankful to you and your team and look forward to our continued relationship.

Sincerely,
Doreen Hatcher
