Re: Service Appreciation

To Whom It May Concern:

Radio Salvación, WPHE690, has been a client of Vision Financial Group CPA since 2015. We are a non-profit Christian Radio Station in Philadelphia, PA. Jacob Ansel and his team at Vision Financial have provide an outstanding job in helping us file our 990's for the past years, always maintaining good communication throughout the processes. The Vision Financial Group team are professional CPAs that are always willing to provide the information and guidance need when it comes to a company's financials. They have assisted us with IRS situations as well filling for SBA Covid-19 assistance and as always have pulled through.

We recommend Vision Financial Group CPAs to anyone seeking professional, well-knowledge, client oriented & hardworking financial firm.

We thank you for always been there!
