To Whom It May Concern:

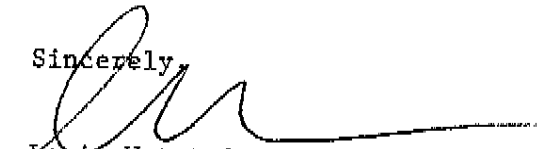

It is an honor for me to write this letter of recommendation for the Vision Financial Group, specifically for Mr. Michael Slotopolsky, CPA.

Mr. Slotopolsky has supervised my accounting issues for approximately twenty (20) years, which attests to my satisfaction for his exemplary work.

I have always found Mr. Slotopolsky to be extremely reliable, efficient, and meticulous with my financial needs, which ultimately translates into significant tax savings. His financial advise has always been outstanding.

I am very grateful for this continued relationship. I could recommend no accountant/accounting firm more confidently.

Sincerely,

Lewis Wetstein, M.D.
