Dear Jake,

As the owner of Collaborate Solutions, Inc. (An IT Provider) I wanted to thank you for all of your hard work and dedication over the last several years working with my company and on our family taxes. You took over as our CPA five years ago and have changed the way we view our financial reporting, taxes, tax planning and have helped us grow our company through your advice and constant communication. You are always available, easy to reach, answer all of my emails, calls, or texts night and day and even on weekends.

Our relationship with you, your partner Michael and your great staff has been nothing less than exceptional. Your team is absolutely amazing in all respects and provides us with service that I have not seen in many years from a professional firm. Thank you for all that you do for us.

Our main company headquarters are located in Massachusetts. When deciding to work with Jake and Vision Financial Group CPAs, we wondered if a firm located in NY and NJ would be too far. Jake and his team have proved that this is a non issue and at the drop of a hat would get in their car and drive to our office or meet us anytime.

If you are looking for a new CPA firm to handle your accounting, bookkeeping, tax or audit needs you can be confident that Jake and his team at VFG are the best choice.

Sincerely,

Tiru Chandrapu
