I was fortunate to have been introduced to Jake ten years ago through my partner at Vanderbilt Appraisal. It was immediately clear that Jake was a huge upgrade from my existing accountant. Jake and his team handle all tax and bookkeeping for my LLC as well as my personal returns. Jake and his team are on the ball at all times. Jake is always available for questions or concerns as they arise and never passes me off to someone else, no matter how small the request. His response time is stunning given what is on his plate. As a former CPA I have a tremendous amount of respect for the way Jake operates and his deep and broad knowledge base.

I have recommended Jake to both family and friends who have all been happy making the switch from their existing accountants. Happy to speak to any future clients who want to dig deeper.
